UPLAND GAME BIRDS & FALCONRY

1994-1995 HUNTING REGULATIONS
STATE OF MONTANA

By order of the Montana Fish, Wildlife and Parks Commission, the seasons, limits and regulations listed herein shall govern the 1994 and 1995 upland game bird and falconry hunting season. These regulations are valid March 1, 1994 through February 29, 1996, and were adopted by the Fish, Wildlife and Parks Commission on February 8, 1994; Patrick J. Graham, Secretary.

GENERAL REGULATIONS

Licenses — The following licenses are available at all Fish, Wildlife and Parks offices and most license agents throughout the state. The license is valid March 1 through February of the following year.

	Res.	Nonres.
Conservation (required prerequisite*)	$4.00	$ 5.00
Upland Game Bird (required prerequisite for turkey*)	$6.00	$55.00
Fall Season Turkey	$5.00	$13.00

*The resident Sportsman's License and the nonresident Big Game Combination License and the nonresident Deer Combination License, include both a conservation and upland game bird license. Nonresident Landowner Sponsored Deer Combination License holders may hunt upland game birds only on the land owned by the landowner sponsor. This does not include leased or public land.

Montana residents 12-14 years of age, 62 and older or holders of a Disabled Resident Conservation License need only a conservation license to hunt all upland game birds, except turkey. Persons under 12 years of age may not hunt upland game birds.

A valid "Resident of Flathead Reservation Use Permit" with a valid Flathead reservation bird stamp will be honored by the state wherever hunting for upland or migratory birds is lawful in Montana.

Avoid Violations of the Law — It is illegal to shoot any game bird on, from or across any public highway, or the shoulder, berm, or borrow-pit, or right-of-way of any public highway, and/or motor driven conveyance.

Checking Stations — All sportspersons are required to stop as directed at all designated check stations on their way to and from hunting and fishing areas, even if they have no game or fish to be checked.

Hunter Education — Both resident and nonresident youths 12-17 years of age must provide a Certificate of Competency in the safe handling of firearms before they may purchase a hunting license. **Archery hunters** 12-17 years of age are required, in addition to firearm safety certification, to provide a Certificate of Competency in the safe handling of bow hunting tackle from the National Bowhunter Education Program.

Indian Reservations—Sportspersons hunting upland game birds on Indian reservations should check Indian reservation regulations because season dates, bag limits, licensing requirements, shooting hours, legal species and shot shell requirements may differ from state regulations.

The State of Montana and the Confederated Salish and Kootenai Tribes have entered into a cooperative management agreement on the Flathead Reservation. Please check for upland game bird regulations specific to the Flathead Reservation. For information call Fish, Wildlife and Parks at (406) 752-5501 or the Tribes at (406)675- 2700.
